Dearest Siana,

On behalf of the staff (and Minami's cucumber) at SM, we would like to take this moment to dedicate a few words to our 'Smut Queen' on her birthday.

We would like to thank you for your dedication (for which we are so dedicated to dedicating this dedication to you) and endless persistence, through thick and thin, through lamers and noobs and through the amorous advances of certain regulars whom there is no need to mention, in bringing to us the most exquisite of smut, romance, sex, trash, and stories fantastical ensuring not one of us spends the night in dry discomfort.

And the cute showo-ey stuff is ok too.

Thank you, congratulations, and lots of (hot, smoking) luV from Sephrenia, Medea, | and the rest of the ShowjoMagic staff.

The wise bible for every young girl!

● story summary

Fukuda Aki, a ninth grader, is currently rumored to be the girlfriend of Matsushita Masaya, the top nominee for the next student council president. However, that is when Masaya's twin brother, Naoya, appears before Aki. Aki is gradually drawn to the violent-looking Naoya.
Finally, the day of the election arrives. When Masaya mysteriously goes missing, Naoya agrees to be a substitute for him. But Naoya made Aki promise that she'd go out with him if he succeeds in being elected to the position of student body president—!?

Shoujo Magic

Hello everyone! This is Shinjo Mayu!

This is my 5th manga now. This is the first book of a new series. This is only possible thanks my supportive fans. I'd like to thank you all for that. When I see people buy my comics, I think "Lucky~!" I was really lucky to get to see people buy "TABOO ni Darte" on its release day. (For the rest of the comics, it was sad I didn't get to see people buy them— sob sob...) On that day, it was the first day for the sale of the comic. It was nice because Miss Ami came over, and all of us went to the bookstore together. For 30 minutes, we just warted like idiots at the bookstore for readers to buy my comics. Someone who looked like a high school student came over and took my book into her hands. She flipped through the pages of the comic rapidly, left it, and regretfully reached for another book.
After that, when it was time to return, she was holding on to my comic and went towards the register! The hidden Miss Ami and I were so so happy. No doubt we must have been a little weird there.
I had to leave the bookstore and control my desire to go over and exclaim, "Thank you!! Thank you for buying my book!!"
In any case, if you see a suspicious shadow lurking around when you are buying Shinjo Mayu's comics... it may very well be me—

scary~~~! ♪

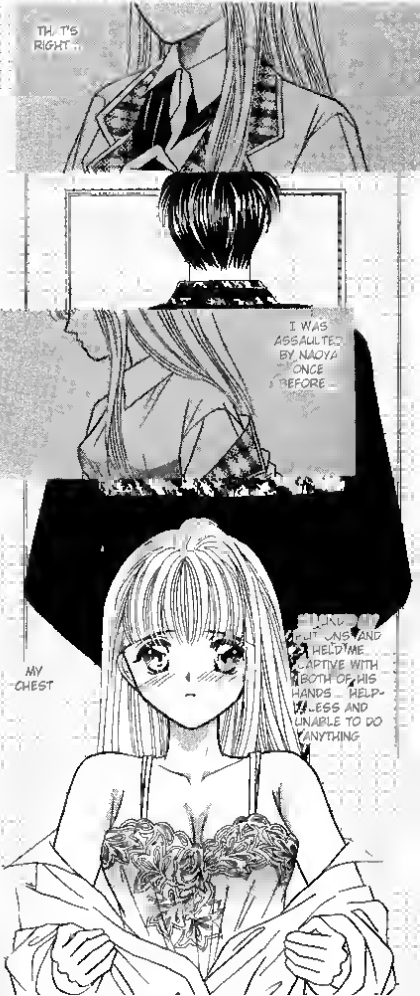
WHAT KIND OF A REASON IS THAT!?
B- BUT YOU'RE HERE, NAOY... Standing right here
Dooon Dooon
SO THAT'S WHAT IS THIS ABOUT

Author's Notes:

I really like guys who are bullies. I can't think of any reason, nor understand why it's so, but I just like them. The name Naoya is taken from my friend's husband. Incidentally, the name Aki is the very same friend's name. Before... when they got married at their wedding ceremony, I carelessly said "In the next series, I'm going to use both of your names~~~~". Thus, as promised, I've used their names. I immediately received their postcard with their thoughts written on it. "I'm a little embarrassed!" and such other thoughts. Ahahahaha! That's for sure!! But, it's been published in comics. More importantly, wishing the both of you marital bliss and happiness... By the way, the real Naoya is much more kind, a true gentleman. Aki is even cuter, white skin, petite, with a really bushy chest!!

So jealous!!

Well, putting all these aside, in any case, I often use my other friends' names for the characters (the girls). Everyone may feel a little embarrassed, but...



THE FEEL AND TOUCH OF NAOYA'S FINGERS HAVE REMAINED IN MEMORY EVER SINCE...
OH MAN...
STUPID STUPID STUPID!! WHY AM I HAVING ALL THESE WEIRD THOUGHTS!
AREN'T YOU DONE YET? YOU'RE REALLY SLOW...

About the Seiyuu (Voice Talent)

Each time, the voice talents for the characters are decided before hand, but I thought I'd ask the readers for their comments and sugges tions this time. Do tell me if you have anyone good and suitable in mind. It'll be out after two books. By the way, Shinjo is thinking in advance of using someone from the entertainment industry.

Q&A Corner

Here are the replies to some of the questions that the readers ask in their letters!

Q. What kind of materials do you use when you draw?

A. For lines I don't use any other pens other than the Maru pen. As for the eraser and main lines it's "Air in" and ink markers respectively. (For the air in that's the literal I'm not sure of the correct spelling ^^;) I use Doctor Martin for the white. As for the other materials it's not exactly fixed. I often buy a variety to try them out.

Q. Do you have any favourite artists?

A. I've taken a liking to TOKIO's Nagase recently thanks to the influence of Miss Am. Also, I think that SMAP's Kato is really cool and Nakai is just unbearably cute!

That's it I guess.

Q. What kind of music do you listen to while you work?

A. I listen to various types of music at different times. I listen to club mix, western music and drama soundtracks when I'm alone. When it becomes late at night I somehow develop a craving for music from occult movies. When Miss Am comes over I'll play the soundtrack of Gundam Wing <this was recommended to be by the readers> Evangelion, SMAP etc. In any case, completely eccentric is what I am.

authors notes:

Q. Which part of the drawing process do you like the most?
A. When I hold a pen. Incidentally, what I dislike is the sketching and drafting, because it takes up a lot of time (Sweatdrops). I like the thinking of the story and the naming of characters.
I like doing the tone also... but recently almost all of it has been taken care of by Miss Ann *Sad* But... I have fun thinking of the effects that the tone will create.

Everyone, thank you very much for all the fun and interesting questions. I'll do my best to answer all the questions whenever I can. If there is still any thing that you wish to find out, please feel free to send me a letter.

WHAT SHOULD I DO!?

WHAT SHOULD I DO!!

Introduction to the Characters

After the start of this new series, the person in charge proposed that I show all of you the details of characters. First up is Naoya.

Matsushita Naoya (16 years old)
Born on 7th February
Horoscope: Aquarius
Blood type: O

Height: 182 cm
Weight: 70 kg

Hobbies
Drive around on bike (Without a license)
Watch movies
(His favourite is GodFather !!!!!!)
(I'm not sure 'bout the !!!!!! bit, but his favourite movie is GodFather something ??)

What he does when he's free
Sleep, listen to music, goes to the library and studies (before the exams)

Type of girl he likes
Strong-willed girl
A girl whom he can bully

Character
Looks really scary at first glance, but he's really gentle at heart
Doesn't like gossip, rumors and chatting with others. Thinks that school rules are meant to be broken. Quite a calculative person
He likes being alone

Experience with females is a SECRET
— but he's really good at sex
(Absolute confident!)
Only looks at those above 16.

Future Ambition
To be a doctor

Results are above average
Doesn't like studying
(But he's the type who can do it if he does it)

Family is very important to him

Father is a high ranking official in a bank, thus he's rich.
Mother is a career woman, involved in computer industry. That is why she's almost never at home

Although he's excellent at sports, he's never joined any extra club activities before.

He played soccer when he was in elementary school, but due to Masaya having a weak body, he stopped for fear of affecting Masaya

He has the habit of putting his hands in his pockets
He does not place much effort in trying to look stylish, but he has quite a lot of black clothes

Although he doesn't fight often, he's really strong.

Shoujo Magic

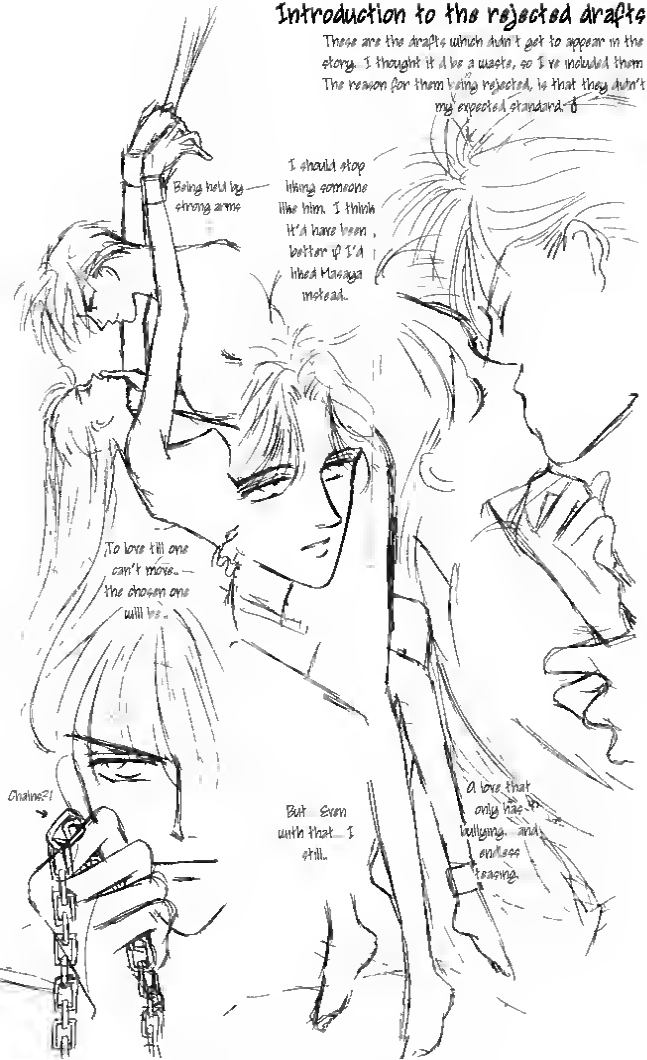
My very first sketch was of Naoya. It was actually decided that he will be the only male character to be introduced...

But I thought of the idea of twins.. And thus.. the appearance of Naoya
At the beginning, Naoya's hair was not supposed to be like this. Somehow it became black and floppy. When I realized, it was too late to do anything about it

The editor said that they looked really alike even for twins!!

Introduction to the rejected drafts

These are the drafts which didn't get to appear in the actual story. I thought it'd be a waste, so I've included them here!! The reason for them being rejected, is that they didn't reach my expected standard. 0



Being held by strong arms
I should stop liking someone like him. I think it'd have been better if I'd liked Masaya instead.
To love till one can't move... The chosen one will be...
Chains?!
But even with that... I still...
A love that only has bullying and endless teasing.
